### LEGISLATIVE COUNSEL'S DIGEST

AB 2790, as amended, Nazarian. ~~Taxicab drivers: study; licensure. State Capitol Historic Region: international genocide memorial.~~

*Existing law authorizes the construction of an international genocide memorial in the Capitol Historic Region and provides for the establishment of a commission in that regard. Existing law prohibits construction of the memorial until the master plan of the State Capitol Park is approved and adopted by the Joint Committee on Rules.*

~~Existing law requires every city or county to adopt an ordinance or resolution in regard to taxicab transportation service that includes a policy for entry into the business of providing taxicab transportation service, the establishment or registration of rates for the provision of~~

~~taxicab transportation service, and a mandatory controlled substance and alcohol testing certification program, as specified.~~

~~Existing law provides for the licensure and regulation of various professions and vocations by boards and commissions within the Department of Consumer Affairs.~~

~~This bill would require the California Research Bureau to conduct a study, on or before September 1, 2017, on the necessity and feasibility of licensure for taxicab drivers.~~
